Complicated Hello, my name is Alexander. I've been to the theatre recently. I am so inspired by the play I saw, that I've decided to write an article about it. The play is called "Master and Margarita". It has a pretty complicated story and that is its biggest problem. The characters were great and felt just like real people. The costumes have also helped a lot, since they were pretty good as well. As I've already said, the biggest problem is its story. It is based on the book "Master and Margarita". Even reading this book won't help you, it has too much things going on. Sometimes you'll feel like you don't understand anything. There is the devil, there is Margarita and there is Master. It's all mixed together. I, personally, have liked this play a lot. I think it's one of the best plays I've ever seen. Still, I don't really think I can recommend it to everybody. Some will like it, some won't. So, I'll leave it up for you to decide.
