PART 3 WRITING

Time: 30 minutes

- This is part of a letter you receive from an English penfriend.

I've just come back from a really good holiday away from the city.

Where do you most like to spend your holidays? Do you think I would enjoy going there?

- Now write a letter answering your penfriend's questions.
- Write your letter in about 100 words on your answer sheet.

Do **NOT** write down the address.

Do not write down your **REAL** name.

Dear Tommy,

I was glad to get your letter. Sorry that I haven't answered you earlier. Holiday away from the city is awesome to you!

However, I like to spend holidays in my small town with my friends walking and visiting cosy cafes. I'd like to do it with you, but you are quite far from me.

Also I like visit my grandma in the country. There are incredible views of the river, dark-green forest and field. I'd like to spend my holidays with you in the country, but now it seems to be impossible. I'm sure you'd like it there.

Write soon.

Yours,
Isaak
